The Honorable Tom Wolf
Governor of Pennsylvania
Room 225 Main Capitol Building
Harrisburg, PA 17120

Dear Governor Wolf:

This letter serves to inform you of our request to move from the Red Phase to the Yellow Phase of your COVID- 19 Phased Reopening Plan, effective May 15, 2020.

Cumberland County has met the intention of your original Stay-at-Home Order, which was to flatten the curve of the COVID-19 outbreak; allow hospitals time to prepare for COVID-19 patients being admitted to the ICU; obtain any necessary additional ventilators; and to make sure our front line personnel have the necessary PPE required during a crisis. Our valued community has stepped up to those tasks valiantly, and we have prepared for the duration of this pandemic. The residents of our county have heeded your instructions to practice social distancing and other mitigation efforts. These factors have provided our local healthcare facilities with the confidence to address any upcoming concerns as Cumberland County moves to the Yellow Phase.

As local elected officials, we care deeply and hold paramount the physical, mental, and economic health of our community. We have heard the pleas of our residents who desire the ability to safely re-open their businesses and safely return to work in order to ease these burdens created by the extended quarantine. Cumberland County plans to move forward. In doing so, it will require businesses who have the capability to safely re-open to adhere to CDC guidelines until further guidance is received for the county to move to the Green Phase.

We, like you, share a common goal of protecting the lives of our residents while ensuring our health system does not become overwhelmed. We believe based on the science, data, and the help of our trusted medical professionals and health care systems, we have met that goal. Clearly, our county has the capacity to re-open, and our hospital systems are prepared. Now, we must move into the next phase of response during this crisis which is to safely re-open up our economy. Cumberland County residents are ready to move forward safely, intelligently, and responsibly into the Yellow Phase.

Sincerely,

A handwritten signature in black ink, reading "Mike Regan".
